Jungere desponsae, felix ADRIANE, TERESAE,
Jungere, cui Pallas te dat habere suum;

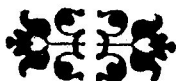

*Tam bene, quam sociae viti sua neclitur ulmus,
Tam bene, quam compes aurea stringit ebur.*

*Nuncia regales Erato dum cantat amores
Ventilat ad numerum flammea dexter Hymen.*

*Sic eat in gemmas PATRUI de stipite duro
Latura aeternas SPINA beata rosas.*

*Ille triumphales intexere plurima Lauros
Sueta, tuis erat ad fortia calcar Avis;*

*Et jam te doceat generosum Insigne Nepotem
Dulcia de vero mella labore dari.*
